*"Your product is very detailed. It hits the nail right on the head. What you mention in your e-book and MP3s is exactly what happens in real life..."*

**Marvin – US**

*"Hi! I have recently purchased "How to get your power back after she breaks up" which is absolutely brilliant and has helped me a great deal. It really got me back on the right road again. Many thanks"*

**Stuart Bullingham - US**

*Francisco, thank you immensely for your help with my breakup. You have helped me re-focus my energy away from feeling sorry for myself and towards improving my life and getting back on track.*

**Matthew Plomin – US**

*"Francisco,*

*I needed to thank you for your e-book, and especially the audio files. I bought your package on "Getting your power back after breakups – For men" last Sunday. My girlfriend broke up last Saturday and I was searching for help the next day.*

*I listen to your audio files in the car going to work, at work, coming home from work, and while I am falling asleep!*

*Right now the hardest part for me is the "Need to call her" feeling. Your audio file on the "First Breakup Trap" is just awesome for when I feel this. I understand now, and it gives me strength knowing that she will see me as "Needy" and "Wanting".*

*You can't imagine how many times I play that segment over, and over again. I want her to see me having the power. I want her to think of me as confident and sure of who and what I am. That one audio file has been worth every penny I paid!!*

*Again, thank you so much for showing me what she is feeling during this time, and what really triggered this breakup.*

*I will admit, it is still hurts, but I am quickly getting my power back.*

*Thanks again, I will keep listening to your MP3's and gaining back my strength and power. You have truly helped me regain my sanity!!"*

**Toby Cobb - US**

*"It works! I have read the book, listened to it and all of the MP3s all weekend. Great stuff! Some solid reality check. Best Regards"*

**Rich - US**

*"Francisco,*

*I have been listening to the mp3 files all day and I have to say that so far you have been a life saver.*

*I had been with my girlfriend for about 8 months and I love her very much, so when she broke up with me for space and other personal reasons, you can imagine my devastation. I did all of the things that I am know*

*learning that I shouldn't have. Begging for her to try again, convincing her that we belong together, always appearing needy to her.*

*Now I am becoming armed with the tools that I need to beat this. It has been about 2 weeks since she broke up with me and it has been extremely difficult, but I found your book just in time.*

*I am already applying the strategies and I feel better about the whole thing. It is my hope that your book and mp3 files will help me along with this battle.*

*Anyway, thank you for the e-book. And I may be contacting you for some live sessions.*

*Thank you again"*

**Greg Marx - US**

*"Long story short: married 20 years then divorced. I descended to hell with thoughts of destroying what life I had left. Then I found your web site.*

*It should be law that every divorced man get a copy of your "How to get your power back" MP3. It was the slap in the face and kick to the balls that helped me see where I was and what I needed to do to get MY power back. It worked!!*

*God bless you Francisco."*

**Robert - US**

*"I have made more progress with this e-book than any other thing I have done since my wife left me. Thanks for writing it"*

**D - US**

"With the advice Francisco has offered, I've been able to regroup and keep myself from losing my cool and control. I was actually falling into the pitfalls he talks about in the beginning.

If anyone is going through a break up, or even if your relationship is rocky, you should seriously consider this e-book. Everything I've read thus far is RIGHT ON THE MONEY! Francisco has a very clear and concise way of telling you just exactly what you need to know.

If it wasn't for the help I've gotten from How to get Your Power Back I'd be so far worse than I am now."

**Anonymous**

"Had I known what I know now (Thanks in part to Francisco) I would probably still be in this relationship, and it might even be healthy."

**Anonymous**

"Francisco,

First of all thank you for writing "How to get your power back after she breaks up". Your e-book and information are helping me in a lot of ways in my life.

Like you mention in your e-book "this is a crisis" and I need to get my power back. I'm sure you get a lot of correspondence like this, but I wanted to quickly share my story. I think these events will make me a stronger and better person overall.

I promised myself to start 2006 with a new outlook and somehow I found your material online. Although I am not

*"Hi Francisco. Just wanted to say a BIG thank you to you. You're so right. I found out my wife was having an affair after 25 years of marriage, some 3 months ago. I got your e-book.*
